### As One

As one we walk this earth together  
As one we sing to her our song  
As one we love her  
As one we heal her  
Her heart beats with our own as one

As one we join with her our mother  
As one we feel her sacred song  
As one we touch her  
As one we heal her  
Her heart beats with our own as one.  
(Repeat)

Every little cell in my body is happy  
Every little cell in my body is well  
Every little cell in my body is happy  
Every little cell in my body is well  
I can tell, every little cell  
In my body is happy and well  
I can tell, every little cell  
In my body is happy and well
