Earth Is My Body

Earth is my body, Water is my blood, Air
is my breath and Fire is my spirit.

Earth Please Make Me

Earth please make me a sanctuary Pure
and holy, tried and true.
And with thanksgiving I'll be a living
Sanctuary for you.

Fire Fire

Fire Fire rising higher, Fire
Fire transforming me.

Morning Sun

Morning sun, morning sun
Come my way, come my way (x4)

Come my way, come my way Take
my pain, take my pain (x4)

Take my pain, take my pain Down
below, down below. (x4)

Down below, down below, Cool
waters down below (x4)

You Are Being Held

You are being held in the loving arms
of this circle , right now and always.
You are being held in the loving arms
of the universe, right now and
always.
So be it.

May You Walk In beauty

May you walk in beauty in a sacred way,
May you walk in beauty each and
everyday May you walk in beauty in a
sacred way, May you walk in beauty
each and everyday

May the beauty of the Fire
lift your spirits higher
May the beauty of the earth
fill your heart with
mirth May the beauty of the
rain
wash away your pain
May the beauty of the sky
teach your mind to fly.
